GENESIS 11:1-9 NKJV

Now the whole earth had one language and one speech. ²And it came to pass, as they journeyed from the east, that they found a plain in the land of Shinar, and they dwelt there. ³Then they said to one another, "Come, let us make bricks and bake *them* thoroughly." They had brick for stone, and they had asphalt for mortar. ⁴And they said, "Come, let us build ourselves a city, and a tower whose top *is* in the heavens; let us make a name for ourselves, lest we be scattered abroad over the face of the whole earth."

⁵But the Lord came down to see the city and the tower which the sons of men had built. ⁶And the Lord said, "Indeed the people *are* one and they all have one language, and this is what they begin to do; now nothing that they propose to do will be withheld from them. ⁷Come, let Us go down and there confuse their language, that they may not understand one another's speech." ⁸So the Lord scattered them abroad from there over the face of all the earth, and they ceased building the city. ⁹Therefore its name is called Babel, because there the Lord confused the language of all the earth; and from there the Lord scattered them abroad over the face of all the earth.
