Taber EMC COVID-19 Action Plan:

The Taber EMC Leadership team met today to pray and to discuss our action plan. Our first priority is to continue bringing you God's word in a safe environment. Recently AHS has asked that all large gatherings including worship services be suspended. We as a church organization need to be responsible in our actions.

1. Church worship services continue to be cancelled, our Leadership Team is working hard to prepare video messages that will be shared Sunday mornings. More information will be shared as details are finalized.

2. All March events being held in the church are cancelled, including the Men's Conference which was scheduled for April 4. This includes Ladies Bible Study, Ladies Sewing Circle, Youth, the Volunteer Dinner, and 25th Anniversary planning. *Small groups meetings may be held in homes.

3. We ask that the building not be used, there will be a small group of people preparing a Sunday morning worship service.

4. The building will be sanitized on a weekly basis. We ask that anyone entering the building apply hand sanitizer located in the foyer. Wash your hands frequently.

5. We continue to offer e-transfers as a way for you to donate to the church. Our church work will continue. E-transfers may be sent to: donation@taberemc.org

6. Our Board will continue to meet on a weekly basis to assess the situation and adjust accordingly.

This is an unprecedented time for all of us. We encourage you to reach out to each other, connect where you can. Pray for one another, our Church Leadership, our Government, and our Healthcare Providers. Now is a time that we put our faith into action doing what we can as a church, and trusting that God will lead and guide us. May we let the light of the Holy Spirit shine in us through our actions and our words.
